A Traveling Man's Experience.

"I must tell you my experience on an East bound O R & N R R train from Pendleton to LeGrande, Ore.," writes Sam A Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the ear.' I at once got up and went out, found her very ill with cramp colic, her hands and arms were drawn up so you could not straighten them, and with a death like look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it) ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in twenty minutes I gave her another dose. By this time we were almost into LeGrande, where I was to leave the train. I gave the bottle to her husband to be used in case another dose should be needed but by the time the train ran into LeGrande she was all right, and I received the thanks of every passenger in the car." A pleasing, good, high grade, truly flavored, amber colored cup of coffee can be had—and without the real Coffee danger, or damage to health—by simply using Dr. Shoop's new substitute, called "Health Coffee." Pure wholesome, toasted cereals, malt, nuts, etc. make Dr. Shoop's Health Coffee both healthful and satisfying. No 20 to 30 minutes tedious boiling. "Made in a minute," says Dr Shoop. If served as coffee, it's taste will even trick an expert. Test it and see. Gill & Simpson.

Pink Pain Tablets—Dr Shoop's—stop Headache, womanly pains, any pain, anywhere, in 20 minutes sure. For mule on the 25c. box. Ask your druggist or doctor about this formula—it's fine. R E McRoberts.

A clever, popular Candy Cold Cure Tablet—called Preventics—is being dispensed to druggists everywhere. In a few hours, Preventics are said to break any cold—completely. And Preventics, being so safe and toothsome, are very fine for children. No quinine no laxative, nothing harsh nor sickening. Box of 48—25c. Sold by R E McRoberts.

Tickling or dry coughs will quickly loosen when using Dr Shoop's Cough Remedy. And it is so thoroughly harmless that Dr Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr Shoop's Cough Remedy. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr Shoop's. Accept no other. Sold by R E McRoberts.

It's a pity when sick ones drug the stomach or stimulate the heart and kidneys. That is all wrong. A weak stomach means weak stomach nerve, always. And this is also true of the heart and kidneys. The weak nerves are instead crying out for help. This explains why Dr Shoop's Restorative is promptly helpful to stomach, heart and kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by R E McRoberts.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is scanty, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can do and will do for you. Druggist recommend and sell.
